NORTH HERTFORDSHIRE DISTRICT COUNCIL

Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:

Home Extension Team
4 Brand Street
Hitchin
SG5 1HX
United Kingdom

Applicant:

Mr Stannard

PARTICULARS OF DEVELOPMENT

Application: 26/00061/FPH

Proposal: Single storey rear extension, following demolition of existing rear elements. Raised decking, balustrade and associated stairs to rear garden.

Location: 56 Wilshire Crescent, Hitchin, Hertfordshire, SG4 0PQ

Plan Nos: HET-1863/01 Rev A
HET-1863/02 Rev A

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **REFUSE** the development proposed by you in your application received with sufficient particulars on 12 January 2026.

1. The combined massing and siting of the proposed extension would appear bulky and obtrusive for a plot with significant land undulation. Therefore, the proposal would not be sympathetic to the existing site character and would fail to comply with Policies D1 and D2 of the North Hertfordshire Local Plan 2011-2031 and the aims of Section 12 of the National Planning Policy Framework (2024).

2. The proposed decking and extension would result in unacceptable harm to the amenity of nos. 54 and 58 Wilshere Crescent. Within the context of the varied land levels on site, the proposed decking level would result in unacceptable levels of overlooking to the private amenity spaces of nos. 54 and 58 Wilshere Crescent. The proposed west elevation window of the extension would directly overlook the amenity space of no.54 Wilshere Crescent. The combined scale and level of the proposed extension would result in unacceptable overbearing impacts to no.54 Wilshere Crescent. Therefore, the proposed decking and extension would fail to comply with Policy D3 of the North Hertfordshire Local Plan 2011-2031 and the aims of Section 12 of the National Planning Policy Framework (2024).

Proactive Statement:

Planning permission has been refused for this proposal for the clear reasons set out in this decision notice. The Council has not acted proactively through positive engagement with the applicant as in the Council's view the proposal is unacceptable in principle and the fundamental objections cannot be overcome through dialogue. Since no solutions can be found the Council has complied with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Signed:

Shaun Greaves
Development and Conservation Manager

NOTES

- 1 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals must be made using a form which you can get from the Planning Inspectorate at Suite C, 4th Floor, Spectrum Building, Bond Street, Bristol, BS1 3LG or online at <https://www.gov.uk/appeal-householder-planning-decision>

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Cadent Gas Informative:

Cadent Gas own and operate the gas infrastructure within the area of your development. Contact our Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com.
