Conditional Permission.

3.0 **Representations**

3.1 **Neighbour Consultation** – None received.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The site is a detached two-storey dwelling on the southwest side of Oaks Close in a residential part of Hitchin.

4.2 **Proposal**

4.2.1 Single storey rear extension following demolition of existing conservatory.

4.3 **Key Issues**

4.3.1 The key issues in this case are the design of the development relative to the main dwelling and the impact the development has on the reasonable living conditions of the neighbouring properties.

Design

4.3.2 The proposed single storey rear extension would extend approximately 3.7m in depth, 7.8m in width with a lean-to roof with a ridge at 3.8m and eaves at 2.4m height.

4.3.4 The proposed extension would be sited to the rear and would not be publicly visible. It would have matching brickwork walls, plain tile roof and aluminium framed windows and doors.

4.3.5 In my view, the scale of the proposed extensions would be a sympathetic addition to the dwelling and would not be considered disproportionate. The proposed roof form and materials are considered sympathetic to the dwelling and would not result in an adverse effect on the character of the dwelling.

4.3.6 This is considered in line with Section 12 of the National Planning Policy Framework and Policies D1, D2 and D3 of the Local Plan.

Impact on Neighbours

4.3.7 The proposed rear extension would be similar in depth to the existing conservatory. It is my view, that the proposed development would not occasion any harm in the form of loss of light or overbearing impact. The windows and rooflight would not provide any vantage point for overlooking of neighbouring amenity.

4.3.8 The site features a large garden; the acceptable design and modest scale is appropriate for the local context and therefore would not cause any harm on the amenity of future occupiers.

4.3.9 This development is therefore considered in accordance with Section 12 of the NPPF.

Highways and Parking:

4.3.10 The dwelling has a large parking area to the front of the dwelling which would retain space for two off-street parking spaces after the addition of a front extension, I am therefore satisfied the criteria in the Parking SPD has been met.

Environmental Implications

4.3.11 The proposed development would be consistent with the criteria set out in Local Plan Policy D1 '*Sustainable Design*'. There are no other significant environmental implications as a result of the proposed development.

Biodiversity Net Gain:

4.3.12 This is a householder application which is exempt from BNG Legislation defined under article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

4.4 Conclusion

4.4.1 Overall, as stated above it is considered that the proposed development is compliant with the necessary provisions of the Local Plan policies and the guidelines set out in the NPPF.

4.5 Alternative Options

4.5.1 None.

4.6 Pre-Commencement Conditions

4.6.1 None.

5.0 Recommendation

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
