

PROJECT OFFICER

Nationality [REDACTED]
 Year of Birth [REDACTED]
 Profession Archaeologist (Project Officer)
 Year of joining Company 2020

KEY QUALIFICATIONS

I have been a professional archaeologist for more than 15 years working in both Portugal and England. I am currently employed by Cotswold Archaeology and have been at their Milton Keynes office since March 2019, initially joining as an Experienced Archaeologist, subsequently promoted to Supervisor then Project Officer. I have considerable fieldwork experience on urban, suburban and rural sites which is demonstrated in the projects listed below. I am responsible for independently directing small to medium-sized fieldwork projects (1-200 trenches, 2 -3ha excavation areas) and assisting with the delivery of larger projects.

EDUCATION

2011 Secondary Education Diploma, Archaeology Technician, Professional School of Archaeology- Marco de Canaveses.
 2014 Degree in Archaeology- University of Minho, Braga.
 2021 Supervisory Development Programme- GS Consultancy.
