This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Details of the pre-application advice received

Ahead of making this application, advice was sought from Alex Howard, Senior Planning Officer and Case Officer in 2023 for 22/02796/FPH

He noted:

A new householder application should be submitted in order to highlight the proposed changes.

The application should explain the changes to the consented scheme and that the new scheme continues to address the issues raised re amenity as per the original application

The existing set of drawings would include the pool house, which has been implemented as per 22/02796/FPH, but that the pool itself (which has not yet been implemented) is to be included within the new householder app proposed set

Include a cover note to the validation team to say that we have discussed this approach and deem it to be the most straight forward to cover the minor changes

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
