Dear Sir / Madam,

Title: – BELL CHEMIST, 21b, Bancroft, Hitchin, SG5 1JW

The Electronic Communications Code (Conditions and restrictions) Regulations 2003 (as amended) – Regulation 5 Notice of Intention to Install Fixed Line Broadband Apparatus.

We act on behalf of British Telecommunications plc (BT) who, as you are aware is an Electronic Communications Operator for the purposes of Schedule 3A of the Communications Act 2003 'the Electronic Communications Code'.

For the purpose of building an electronic communications network, and in accordance with The Electronic Communications Code, The Electronic Communications Code (Conditions and restrictions) Regulations 2003 (as amended) – Regulation 7 & 7A (listed buildings and ancient monuments) and the relevant Planning Act's we hereby notify you, the local planning authority, of BT's intention to install fixed line broadband electronic communications apparatus, detailed as to **external cable on wall** at the above location, which is a building identified in the statutory list of buildings.

I enclose a separate copy of the plan in the mail indicating the approximate position for the proposed apparatus.

As the Local Planning Authority and in line with Regulation 5, you have 28 days from receipt of this letter, to give us (the code operator) written notice of any reasonable conditions with which you wish us to consider in respect of the installation of the above apparatus.

For the avoidance of doubt this letter does not constitute: An application for a determination as to whether the prior approval of the Authority will be required to siting and appearance; or An application for planning permission.

In addition, can you, as the Local Planning Authority:

- Please advise, and provide documentation, of any "Article 4 Directions" that are currently in operation and would restrict an Electronic Communication Operators network in this area?
- Please advise if Listed Building Consent is required, where applicable and where to submit such consent.
