Dear Sir / Madam,

Details of Condition : Details reserved by Condition 5 (Archaeological works) of reserved matters application reference 24/01907/RM granted on 11.11.2024. Greenleas, Bygrave Road, Baldock, Hertfordshire, SG7 5DS

I refer to your application received on **24 February 2025**, which seeks approval of condition 5, imposed on planning permission reference number **24/01907/RM**.

Following further correspondence with HCC Historic Environment Advisor, the following response has been provided:

The applicant has submitted a report of an archaeological trial trench evaluation of the site. In this instance the report is satisfactory. The investigators did not reveal heritage assets of significance, and we therefore advise that no further archaeological investigations are required. We can therefore recommend that condition 5 is fully discharged..

On this basis I can confirm that details submitted pursuant to condition 5 are hereby approved.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
