Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Please find enclosed supporting documents to discharge the following conditions relating to the lead local flood authority:

Condition 30:

Prior to the commencement of development, construction drawings of the surface water drainage network, associated sustainable drainage components and flow control mechanisms and a construction method statement shall be submitted and agreed in writing by the local planning authority. The scheme shall then be constructed as per the agreed drawings, method statement, FRA & Drainage Strategy (Flood Risk Assessment and Surface Water Drainage Strategy, prepared by Ingent Consulting Engineers, dated 31 January 2023) and remaining in perpetuity for the lifetime of the development unless agreed in writing by the Local Planning Authority. No alteration to the agreed drainage scheme shall occur without prior written approval from the Local Authority.

Reason: To ensure that the development achieves a high standard of sustainability and to comply with NPPF and Policies of North Herts Council.
