Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Please find enclosed supporting documents to discharge the following conditions relating to electric vehicle charging points & Swift boxes and bat bricks:

Condition 16:

Prior to the first occupation of the development hereby approved details of siting, number and design of the Electric Vehicle Charging Points shall have been submitted to and approved in writing by the Local Planning Authority. The approved details shall thereafter be installed prior to the occupation of each dwelling and permanently retained thereafter. Each of the proposed new dwellings shall incorporate an Electric Vehicle (EV) charging point. Proposals should also be made for the provision of EV charging within other public parking areas of the proposed development.

Reason: To contribute to the objective of providing a sustainable transport network and to provide the necessary infrastructure to help off-set the adverse impact of the operational phase of the development on local air quality in accordance with North Hertfordshire Local Plan Strategic Objective ENV4 and Policy SP9 and D4. And to ensure that the development will have an acceptable appearance which does not detract from the appearance and character of the surrounding area.
