Good afternoon Allison,

Thank you for your email. I hope you are well.

See attached and below responses:

1 - I had sent Mrs Lorraine Hall notice via an email from our estate agent, I have asked for a copy of this so I can forward to yourself. I have also filled out the Notice form and attached to this email, this has also been forwarded onto Mrs Hall via the same estate agent.

2 - Please see attached updated plans and elevations at the correct scale.

3 - The description captures the proposal perfectly.

If you require anything else then please let me know.

Kind regards,

Connie Shooter
