Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

Installation of a small domestic electric vehicle charging unit (Ohme Home Pro) on a modern timber-clad side elevation of the property. The charger will be mounted to the left of the window on the east-facing side wall. The cable will exit the house at low level, run horizontally along the base of the modern wall (camouflaged against the black plinth), and rise vertically only at the charger location. All fixings are into modern timber only, with no works to any historic fabric. The installation is fully reversible.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
