3.4 Conclusion

- 3.4.1 Given the above and that no objections have been received from the neighbours notified regarding the development, prior approval would not be required for the proposed single storey rear extension. The extension would therefore be permitted development by virtue of Schedule 2, Part 1, Class A of the Town and Country (General Permitted Development) Order 2015.

4.0 Recommendation

- 4.1 That prior approval is not required, subject to the following condition:

1. The materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
