4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The application site is located on Hitchin Tennis Club, Hitchin and is within the Hitchin Conservation Area.

4.2 **Proposal**

4.2.1 3x Field Maple - Trim back away from the courts

4.3 **Key Issues**

4.3.1 The key issues in determining this application are: the amenity value of the trees; the impact of the proposed work on the character and appearance of the Conservation Area; any justification for the proposed work and, whether, taking full account of the above, it would be expedient and in the public interest to make a Tree Preservation Order.

4.3.2 The trees are identified on the submitted location plan and are located around the perimeter of the courts.

4.3.3 The trees are all somewhat visible from the public realm, so they hold amenity value. The works are remedial and are not considered to cause unacceptable harm to the character and appearance of the Conservation Area.

4.3.4 Due to the above reasons, I do not consider there a need to issue a Tree Preservation Order.

4.4 **Conclusion**

4.4.1 The proposed work to the trees would not cause such harm to the character and appearance of the Hitchin Conservation Area as to overcome the justification for the work.

5.0 **Recommendation**

5.1 **NO OBJECTION** to the proposed work.
