Dear Sir / Madam,

**Details of Condition : Details reserved by Condition 5 (Archaeological works) of reserved matters application reference 24/01907/RM granted on 11.11.2024.
Greenleas, Bygrave Road, Baldock, Hertfordshire, SG7 5DS**

I refer to your application received on **24 February 2025**, which seeks approval of condition 5, imposed on planning permission reference number **24/01907/RM**.

Following correspondence with HCC Historic Environment Advisor, the following response has been provided:

In this instance we can recommend that the archaeological WSI and method statements are approved and that on site archaeological works can commence. However, we do not recommend that the archaeological condition(s) are fully discharged until it is clear that no further phases of onsite archaeological works are required, any reporting is completed and approved by this office and any arrangements for analysis and publication of results have been agreed.

On this basis I can confirm that condition 5 is hereby part approved with the rest of the condition remaining in effect as outlined above.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
