5. Prior to the first commencement of the development hereby permitted a plan of cycle parking should be submitted in accordance with (Cycle Infrastructure Design' DfT Local Transport Note 1/20 (July 2020) and approved in writing by the Local Planning Authority. Prior to first occupation the approved scheme shall be fully implemented and thereafter retained for this purpose.

Reason: To ensure the provision of adequate cycle parking that meets the needs of occupiers of the proposed development and in the interests of encouraging the use of sustainable modes of transport by Policies 1, 5 and 8 of Hertfordshire's Local Transport Plan (adopted 2018)

6. No development shall commence until a Construction Management Statement has been submitted to and approved in writing by the Local Planning Authority, including elements of the CLOCS standards as set out in the Highway Authority's Construction Management template.

Thereafter the construction of the development shall only be carried out in accordance with the approved Plan: The Construction Management Statement shall include details of:

Access arrangements to the site.

Traffic management requirements.

Construction and storage compounds (including areas designated for car parking, loading /unloading and turning areas).

Siting and details of wheel washing facilities if applicable.

Cleaning of site entrances, site tracks and the adjacent public highway.

Timing of construction activities (including delivery times and removal of waste) and to avoid school pick up/drop off times.

Provision of sufficient on-or-offsite parking prior to commencement of construction activities.

Construction vehicles must not park on London Road which would deprive residents or customers for the several businesses along London Road.

Reason: In order to protect highway safety and the amenity of other users of the public highway and rights of way in accordance with Policies 5, 12, 17 and 22 of Hertfordshire's Local Transport Plan (adopted 2018).
