**Cc:** Planning Control  
**Subject:** RE: Invalid Notification for Application No 26/00708/LBC

Dear Kerry,

We can agree to the suggested description of the application:  
Removal of expanded metal lath and cement render and its replacement with vapour open materials.  
Remove timber panels in the Living Room to allow a full structural assessment of the brickwork behind prior to reinstatement.

Please do let me know if you need any more information / clarification before you are able to validate this application.

Many thanks.

Monica
