Description of development: Use of the land to site a mobile home for ancillary use to the main dwellinghouse

The North Hertfordshire District Council, in pursuance of their powers under the above-mentioned Act and the associated Orders and Regulations, hereby CERTIFY that on the date of receipt of the application the matter described above in respect of the aforementioned land and edged in red on the plan would have been lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended).

The reason for this determination is as follows :-

The siting of the mobile home would meet the requirements of Section 29 of the Caravan Sites Act 1960, as amended in 1968 and 2006 and the definition of the Caravan Act 1960. Moreover, having regard to the submitted evidence, it is considered that there would be no material change in the use of the planning unit, and thus no development as defined by Section 55(1) of the Town and Country Planning Act 1990 would take place. A Certificate of Lawfulness of Proposed Use or

Development, under the provisions of Section 192 of the 1990 Act, can therefore be granted for this application.
