20th March 2025

Dear Sirs,

Application Reference PP-13765411
Tall Timbers,
Melbourn Road, Royston

Whilst walking along Melbourn Road I noticed the planning application and out of interest I went on line to look at it. The flat roof part of the plan is ugly and not in keeping with other properties in Melbourn Road or even the bungalow itself. The plot has been devastated with the removal of all trees and vegetation and the ground covered in hardcore (apart from the laurels at the front) obviously in preparation for the proposed extension.

I object to this planning application.

Yours faithfully
