Dear Mrs Karen Cole

Trees (Conservation Area) : Remove 3 limbs mid-canopy back to boundary line representing a reduction of 1.8 metres, overhanging property and adjacent to chimney stack of No.1 Norton Road
3 Norton Road, Letchworth Garden City, Hertfordshire, SG6 1AA,

Please quote the following reference: 18/00089/TCA on all correspondence.

I refer to your letter and enclosed plan of 10 January 2018 giving notification and details of work specified above, to trees within the Conservation Areas Conservation Area.

I can confirm that I have no objection to this work. The requirements of Section 211 of The 1990 Town and Country Planning Act have therefore been met and you may proceed with the work at your earliest convenience.

Please note that this letter does not overrule any other consents that may be required, including the consent of the owner of the tree.

Finally, I would suggest that you also inform the Letchworth Garden City Heritage Foundation of the proposed work.

The work referred to above should be completed within 2 years from the date of this letter. If it is not, and you still wish to carry it out, you will need to re-notify the Council of your intention to carry out the works.

Yours sincerely

Simon Ellis
Development & Conservation Manager
