Hi Kevin

I have updated the description. Please can you confirm that you agree to the amended description. Written confirmation to the description change will be published on the website

I will need to re-consult based on the amended/corrected description.

Conversion of existing 4 flats into two self-contained 5-bed dwellings including single storey rear and side extensions, insertion of rear dormer windows to facilitate conversion of loft space to habitable accommodation following demolition of existing detached double garage. Installation of boundary fences to 3A. Installation of rear hardstanding, provision of rear 6 parking spaces and two front parking spaces and formation of vehicular accesses off Bearton Avenue.

Kind regards
