

DELEGATED FILE NOTE

CASE OFFICER: ...Vicki Wood.....

APPLICATION REFERENCE	BRIEF DESCRIPTION OF DEVELOPMENT	APPLICATION SITE
24/02019/FP	Replacement to front, side and rear elevation fenestration.	29 Creamery Court Letchworth Garden City Hertfordshire SG6 2UA

Submitted Plan Nos

1 of 4 Rev 1 2 of 4 Rev 1 4 of 4

1.0 Policies

1.0 **Local and National Policy**

1.1 **National Planning Policy Framework 2023 (NPPF)**

Section 2 – Achieving sustainable development

Section 12 – Achieving well-designed and beautiful places

Section 14 - Meeting the challenges of climate change, flooding and coastal change

1.2 **North Hertfordshire Local Plan 2011-2031 (NHLP)**

Strategic Policies

Policy SP1 – Sustainable Development in North Hertfordshire

Policy SP9 – Design and Sustainability

Development Management Policies

Policy D1 – Sustainable design

Policy D2 – House extensions, replacement dwellings and outbuildings

Policy D3 – Protecting living conditions

1.3 **Supplementary Planning Document**

North Hertfordshire Design Guide 2011

2.0 **Relevant Site History**

2.1 None.

3.0 **Representations**

3.1 **Site and Neighbour Consultation** – None received.

3.2 **LGCHF** – None received.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 The application site comprises of a first floor residential flat in an existing block of flats centrally positioned with two-storey dwellings to either side and communal parking area

to the north. Creamery Court is located off Baldock Lane and is well screened by established planting.

- 4.1.2 The application site is within the settlement boundary for Letchworth where development is generally acceptable subject to policy requirements.

4.2 **Proposal**

- 4.2.1 Replacement to front, side and rear elevation fenestration.

- 4.2.2 The application is accompanied by a Design and Access Statement (DAS) in support of the application.

4.3 **Key Issues**

- 4.3.1 The key issues for consideration are as follows:

- The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.
- The impact that the proposed development would have on the living conditions of neighbouring properties.
- The impact that the proposed development would have on the environment.

Design and Appearance:

- 4.3.2 The objectives of the National Planning Policy Framework (NPPF) include those seeking to secure the creation of high quality, beautiful and sustainable buildings and places (Section 12 – Achieving well-designed and beautiful places). Paragraph 131 of the NPPF states that “*Good design is a key aspect of sustainable development, creates better places in which to live and work and helps make development acceptable communities*”. In this regard, Policy D1 and D2 of the North Hertfordshire Local Plan are consistent with the objectives set out within the NPPF.
- 4.3.3 The application would see the replacement of four existing poor quality white painted single glazed timber framed windows and their replacement with uPVC of matching colour and design. Given the central position of the flat within the block and the fact that Creamery Court is well screened, I am satisfied that the proposed development would not be detrimental to the character and appearance of the original development and area as a whole and is acceptable.
- 4.3.4 There is evidence on site that the majority of properties have replaced their windows with white uPVC of a similar style to the existing.

Impact on Neighbouring Properties:

- 4.3.5 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy D3 of the NHLP.
- 4.3.6 The proposal would not impact exiting residential amenity and is acceptable.

Biodiversity Net Gain (BNG)

- 4.3.7 This is a householder application which is exempt from BNG legislation defined under article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Environmental Implications:

- 4.3.8 Section 14 of the NPPF sets out how the planning system should support the transition to a low carbon future. The principles set out in Section 14 are reflected in Policy D1 of the North Herts Local Plan, which sets out that development proposal should take all reasonable opportunities to reduce energy consumption and waste, retain existing vegetation and propose new appropriate planting, and future proof for changes in technology and lifestyle.
- 4.3.9 The proposed development, would have no significant implications for the local environment in terms of carbon emissions and therefore would be generally in compliance with Section 14 of the NPPF and Policy D1.

4.4 **Conclusion**

- 4.4.1 The proposed development is considered acceptable and in accordance with Policies SP1, SP9, D1, D2 and D3 of the NHLP 2011-2031 and Sections 2, 12 and 14 of the NPPF 2023.

4.5 **Alternative Options**

- 4.5.1 N/A

4.6 **Pre-Commencement Conditions**

- 4.6.1 N/A

5.0 **Recommendation**

- 5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Biodiversity Net Gain

This development is not subject to the statutory Biodiversity Gain Plan condition because it is considered exempt under the statutory exemptions (<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>) or transitional arrangements in respect of the biodiversity gain condition.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
