Dear Sirs

The Cambridge Waste Water Treatment Plant Relocation Order 2025 - Request for Correction Order

We act on behalf of Anglian Water Services Limited in connection with the above. Further to the making of the Cambridge Waste Water Treatment Plant Relocation Order 2025 on 2 April and the Secretary of State's Decision Letter on 8 April publishing the making of the Order, please accept this letter as a written request to correct errors identified in the development consent order in accordance with Section 119 and Schedule 4 of the Planning Act 2008.

We enclose a schedule identifying errors in the decision document that are considered correctable which also identifies the explanation as to why the error should be corrected. As the changes requested are to an order contained in a statutory instrument we also enclose a draft correction order in the form of a statutory instrument setting out the proposed changes.

We would be grateful for confirmation of receipt of this request and look forward to hearing from you further once a decision has been made in response. If there are any queries, please contact Laura-Beth Hutton whose contact details are set out above.

Yours faithfully
