Subject: Re: Amended plan

Dear Ben,

Yes, I can confirm we would have no objection to this revised plan. I hope the construction can now move swiftly for you.

Kind regards,

Ashley

Dear Ashley,

As promised I have amended the plan to the new location we agreed.

Additionally I have instructed the contractor to revise the ridge line to a Maximum of 3.8m.

Grateful of your email of support in line with our discussion.

Kind regards

Ben
