Floodlighting Omission

The proposed floodlights have been omitted from the application and therefore the report is no longer required. The following documents are no longer relevant to the application due to the omission of floodlighting:

- Appendix A – Floodlighting Performance Report
- Appendix B – ILP Guidance Notes
- SSL3394 06 – Floodlighting Scheme

Hours of Use

The omission of the proposed floodlights means that the AGP will not be artificially illuminated and therefore the AGP can only be used in daylight hours. To protect residential amenity the proposed hours of use requested is follows:

Table 1 - Proposed Hours of Use

Day	First Activity	Final Activity
Monday-Friday	08:00	17:00*
Saturday	09:00	13:00

*17:00 or daylight hours (whichever comes first)
