Dear Nikki,

I hope this email finds you well.
I have gone through the points you have highlighted and updated/revised my drawings accordingly.

- 1 - The only existing building is the garage at the front and it is added to the plans
 - 2- All plans have 1:200 metric scale @A3 paper type and this is also stated at the bottom left of each sheet.
 - 3- I confirm that I am agreeing with the amended description.
- Please see attached documents.

I am also including a reasonable exception statement to be considered in this application.

Can you please confirm whether I need to submit these documents through another link and/or planning portal?

I will be looking forward to hearing from you.

Kind regards,
Ibrahim Sal
