

Letter of support

This letter is written in support of Nav Nagra's appeal against North Herts District Council's decision to refuse the application for the Installation of external insulation and cladding (development already carried out) at 32-33 Nightingale Road, Hitchin SG5 1QU.

As an occupier I would like to raise the following point in support of the appeal,

- The cladding and insulation does not detract from the character of the original building or the wider area.
- The cladding was attached to provide insulation in an attempt to reduce occupiers fuel bills.
