Dear Andrea Burden,

We have been requested to contact you by the assessing officer for your dropped kerb application.

Your site assessment has been completed, however upon reviewing your application the officer noticed that the access is required from a Classified C Road.

The quotation is ready to be sent to you, however it cannot be issued until Planning Permission is granted.

As per our [dropped kerb policy](#), under the heading 'Planning Considerations', planning permission is required if the access is required from a classified road before we can accept your application. As the access will be required from a classified C road, planning permission is required for a dropped kerb. You will need to obtain the necessary planning permissions before we can assess your application.

You can apply for planning permission with your Local Planning Authority (Local District Council)

When / if the relevant planning permissions have been obtained, only then can your application for a dropped kerb be assessed, and as such, your dropped kerb application has now been placed on-hold.

If this takes longer than a period of twelve months your application will be cancelled.

Please see this link to view our [Dropped Kerb Residential Policy](#).

Kind Regards,

Erin Barton
