This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

- ☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
