Dear Mr Durrant,

Electronic Communications : Swap 6 antenna located to existing telecom tower. Additional kit within existing cabinet with additional ancillary telecommunications kit

Land At, Ascot Industrial Estate, Icknield Way, Letchworth Garden City, Hertfordshire,

I refer to your letter received on 26 April giving formal notification in advance of the above work, in accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003, as required by the Communications Act 2003.

I would confirm that the Local Planning Authority considers the work would benefit from being permitted development as defined by the Town and Country Planning (General Permitted Development) Order 2015, Schedule 2, Part 16, Class A.

I can confirm that there are no conditions the Council would wish to impose under the provisions of Article 5(3) of the Regulations for these works.

Yours faithfully,

Simon Ellis
Development & Conservation Manager
